## **N.D.C.C. § 57-02-08.1. Homestead credit.**

1.
  - a. Any person sixty-five years of age or older or permanently and totally disabled, in the year in which the tax was levied, with an income that does not exceed the limitations of subdivision c is entitled to receive a reduction in the assessment on the taxable valuation on the person's homestead. An exemption under this subsection applies regardless of whether the person is the head of a family.
  - b. The exemption under this subsection continues to apply if the person does not reside in the homestead and the person's absence is due to confinement in a nursing home, hospital, or other care facility, for as long as the portion of the homestead previously occupied by the person is not rented to another person.
  - c. The exemption must be determined according to the following schedule:
    - (1) If the person's income is not in excess of eight thousand five hundred dollars, a reduction of one hundred percent of the taxable valuation of the person's homestead up to a maximum reduction of three thousand thirty-eight dollars of taxable valuation.
    - (2) If the person's income is in excess of eight thousand five hundred dollars and not in excess of ten thousand dollars, a reduction of eighty percent of the taxable valuation of the person's homestead up to a maximum reduction of two thousand four hundred thirty dollars of taxable valuation.
    - (3) If the person's income is in excess of ten thousand dollars and not in excess of eleven thousand five hundred dollars, a reduction of sixty percent of the taxable valuation of the person's homestead up to a maximum reduction of one thousand eight hundred twenty-three dollars of taxable valuation.
    - (4) If the person's income is in excess of eleven thousand five hundred dollars and not in excess of thirteen thousand dollars, a reduction of forty percent of the taxable valuation of the person's homestead up to a maximum reduction of one thousand two hundred fifteen dollars of taxable valuation.
    - (5) If the person's income is in excess of thirteen thousand dollars and not in excess of fourteen thousand five hundred dollars, a reduction of twenty percent of the taxable valuation of the person's homestead up to a maximum reduction of six hundred eight dollars of taxable valuation.
  - d. Persons residing together as spouses or when one or more is a dependent of another, are entitled to only one exemption between or among them under this subsection. Persons residing together, who are not spouses or dependents, who are coowners of the property are each entitled to a percentage of a full exemption under this subsection equal to their ownership interests in the property.
  - e. This subsection does not reduce the liability of any person for special assessments levied upon any property.
  - f. Any person claiming the exemption under this subsection shall sign a verified statement of facts establishing the person's eligibility.
  - g. A person is ineligible for the exemption under this subsection if the value of the assets of the person and any dependent residing with the person, excluding the unencumbered value of the person's residence that the person claims as a homestead, exceeds fifty thousand dollars, including the value of any assets divested within the last three years. For purposes of this subdivision, the unencumbered valuation of the homestead is limited to one hundred thousand dollars.
  - h. The assessor shall attach the statement filed under subdivision f to the assessment sheet and shall show the reduction on the assessment sheet.
  - i. An exemption under this subsection terminates at the end of the taxable year of the death of the applicant.
- ....
4. A person whose homestead is a farm structure exempt from taxation under subsection 15 of section 57-02-08 may not receive any property tax credit under this section.

  - c. "Income" means income for the most recent complete taxable year from all sources, including the income of any dependent of the applicant, and including any county, state, or federal public assistance benefits, social security, or other retirement benefits, but excluding any federal rent subsidy, any amount excluded from income by federal or state law, and medical expenses paid during the year by the applicant or the applicant's dependent which is not compensated by insurance or other means.
  - d. "Medical expenses" has the same meaning as it has for state income tax purposes, except that for transportation for medical care the person may use the standard mileage rate allowed for state officer and employee use of a motor vehicle under section 54-06-09.
